

Family Caregiver Webinar Series

Coping with Dementia Care During the Coronavirus Pandemic

These webinars are intended to provide education and support to family caregivers impacted by the coronavirus. The webinars will be offered weekly on Wednesdays from noon to 1 p.m. (PST) via Zoom and facilitated by members of the UCSF Memory and Aging Center's (MAC) Behavior Task Force in partnership with family caregivers. The format will be a half-hour presentation followed by a Q&A session where questions from participants will be answered. Sessions will be recorded and made available on the MAC website at memory.ucsf.edu/covid.
